# ATION

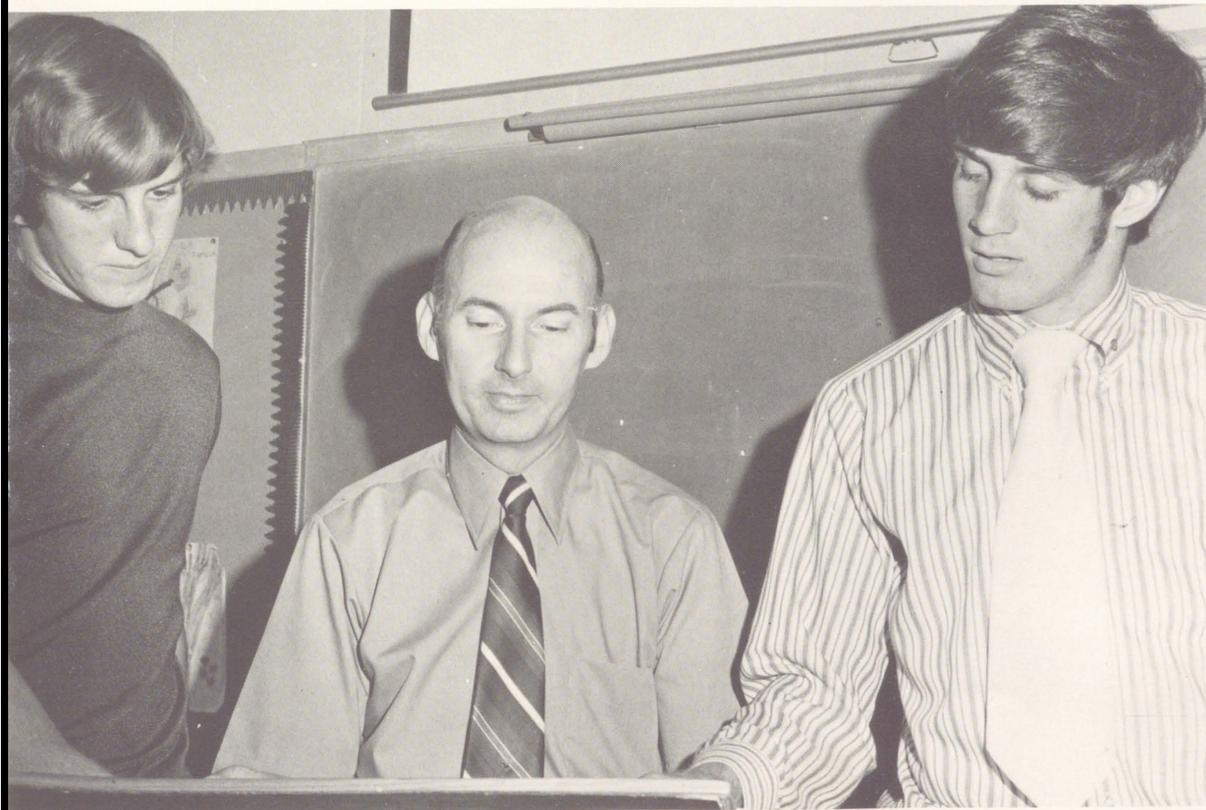

The Southerner Staff is pleased and honored to dedicate this annual to a group of classroom teachers who have given more than 100 years of service to CHS.

History will record your contributions as teachers: Mr. Bonnie K. James, Band Director; Mrs. Sue Hauk, Business Education Teacher; Mr. Spencer Speegle, Art Teacher; Miss Sarah McDonald, Language Teacher; and Mr. Don Williamson, Choral Director. We know you best for your actions as teachers, advisors, counselors, and friends.

We cannot measure your value. For you were here long before we came, and you will continue after we are gone. But we do know that you are attempting to prepare us for performance in the game of life. You have shared with us your own individuality and uniqueness which is beyond measure and value, and is the best that anyone can give.

We will express our gratitude to you, our teachers, by passing on to others those qualities that you have tried to instill in us.

# Administrators, Tea

# chers, Assistants

In the next few pages we would like to thank each person for the time and effort they have put forth during the 1971-72 school year and all the years past. Each one has taken a part of himself and has planted it somewhere within the minds of their students. We only consider the things that are academically taught, but much more has been given to us by these people. They were here when we came and most of them will continue on even after we leave. These are the people that keep the great walls of C.H.S. from crumbling.
