THE 1965 FAIRALA
FAIRVIEW HIGH SCHOOL

CULLMAN, ALABAMA

It is with the highest respect and greatest admiration that we pay tribute to you, Mr. Jimmy Lee Boyd. Your dedication to the teaching profession and sincere concern for your students has been a great help to both the students and faculty members of Fairview High School. Your untiring efforts and undying spirit has played a tremendous role in making the construction of our first football stadium. You will always be remembered by students fortunate enough to have studied under you as a man of knowledge and kindness.

For all these reasons and many more we, the Annual Staff of 1964-65, do dedicate to you, Mr. Jimmy Lee Boyd, the 1965 Fairala.

DEDICATION

Someone once said that none of us will die in the same world in which we were born. That's how fast the landscapes of knowledge, the horizons, and the aspirations of men are changing.

Education is more than the gaining of knowledge.

We must develop into thinking and feeling human beings who can compute and manipulate facts with increasing facility; yet we must be mindful of the interwoven relationships of the dreams of other human beings.

May we develop the facility of adopting new knowledge to new situations.

ADMINISTRATION

In this section we proudly present our faculty and administration.

The faculty and administration have helped to sponsor all student activities. Their help in these student activities, as well as sports, is sincerely appreciated.

The teachers have done more than this; they have helped us to grow into intelligent individuals. When we leave Fairview, the influence of our teachers will go with us throughout our lives.

The Annual Staff would like to express their appreciation to you, Faculty and Administration.

STUDENT COUNCIL NEWS

Special Challenge Meeting
The Student Council met in a special session on Monday, October 10, at 7:30 p.m. in the gymnasium. The meeting was held to discuss the current situation of the school and to plan for the future. The following are the minutes of the meeting:

High School Activities
The Student Council has decided to sponsor a number of activities for the coming year. These include a school play, a musical, and a number of sports events. The council will be working hard to make these activities a success.

Financial Report
The Student Council has received a report from the Finance Committee. The report shows that the school is in a sound financial position. The council will be working to improve the school's financial situation in the future.

Public Relations Program
The Student Council has decided to start a public relations program. This program will be designed to improve the school's reputation and to make it more attractive to students and parents. The council will be working to develop a number of public relations projects.

ORGANIZATIONS

Spirit is leadership To be led and to lead, to help meet the school's leadership need. Yes, this is one of the purposes of our clubs at Fairview. Education is more than Readin', 'Riting, and 'Rithmetic, there are ORGANIZATIONS which develop such qualities as leadership and strong character. It makes no difference what you are interested in brain or brawn anticipation or ambition drama or skill we have an ORGANIZATION for you at Fairview. For those who really like to work, there's the Journalism Staff Student Council Ad Staff Library Club Key Club All studying is not in vain either! For those who excel in their classwork there's the National Honor Society For those students interested in speech and dramatics there's the Thespian Society. Some students want to know: "What does the future hold for me?" The FHA FFA Girls' and Boys' 4-H Clubs help them answer this question Then there's the students "on their way up" who are members of the Elementary Student Council they will be leaders someday too! Yes, there's a place for all students in ORGANIZATIONS at Fairview. This is why ORGANIZATIONS are such an essential part of our school--an essential part of its spirit.

The fighting "Aggies" put on a terrific show for Homecoming fans, November 12, when they played West Point "Warriors". Hard hitting defense and powerful running proved too much for the "Warriors". Fairview downed West Point 14-13. At the left is a picture of the halftime performance by the cheerleaders.

This shot shows the active interest the boys and the coach take in each and every play. The active support of the boys give the boys on the field a feeling that they are well supported. The strong, firm hand of our Coach Tucker led the boys on the field and off.

Fairview journeyed to Holly Pond, September 24 to take on its arch rival in one of the hardest fought battles of the season. It was a great defensive battle between the Aggies and the Broncos, as the picture at the left shows with Charles Echols making a very important tackle. The score showed the great defensive work with a 6-6 tie.

SENIORS

1965.....We made it.....SENIORS at last..... Graduation..... a word that to some means happiness..... to others sadness..... to be leaving Fairview..... only yesterday it seems we were entering.....some as seventh graders..... others as tenth graders from other junior high schools..... frightened, curious and eager... .It didn't take us long to accustom ourselves and fit into the routine.....there were the ball-games.. .projects..... books..... lockers... ..fees to pay. As we receive our diplomas, the symbol of all our toil, tears, and laughter.....and think of saying good-bye to all our friends and farewell to Fairview as we step forth into the world.....each in his own direction.....it does not seem so sad when we realize that we will always have things in common.....the title of Class of '65.....memories, wonderful, happy remembrances.....but most of all the feeling of pride and joy that we were graduated from Fairview High School.

UNDERCLASSMEN

Underclassmen Years may come and years may go, but underclassmen go on forever or so it seems with the newness of high school behind them the seventh graders look forward to coming events while the eighth graders think of being freshmen as they look back the freshmen have memories of extra clubs they joined all that homework pep-rallies and ballgames Sophomores at last we walk the halls with the seniors getting acquainted with the new faces making new friends To the juniors Fairview High School no longer looks like a maze we see familiar halls and faces after this summer we will return as the leaders of the school ready to take the responsibility of making FHS even better.

A large, faint watermark of the Fairview High School seal is centered on the page. The seal features a shield with a diagonal line, a lamp of knowledge at the top, a cotton bowl in the middle, and a torch at the bottom. The letters 'F', 'H', and 'S' are arranged on the shield. Above the shield is an eagle with wings spread. The shield is flanked by two wheat stalks. A banner at the top reads 'Fairview High School' and a banner at the bottom reads 'AGGIES'.

Fairview's newly adapted seal holds within its every feature the deep set thoughts and aims of our school. Every part of the seal is symbolic of the great school it represents.

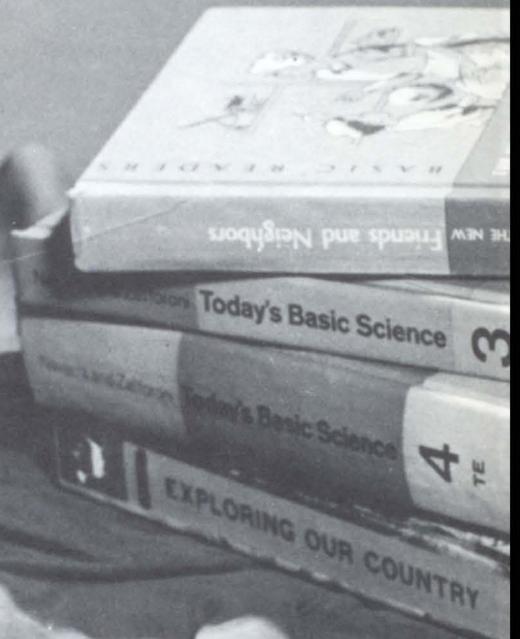

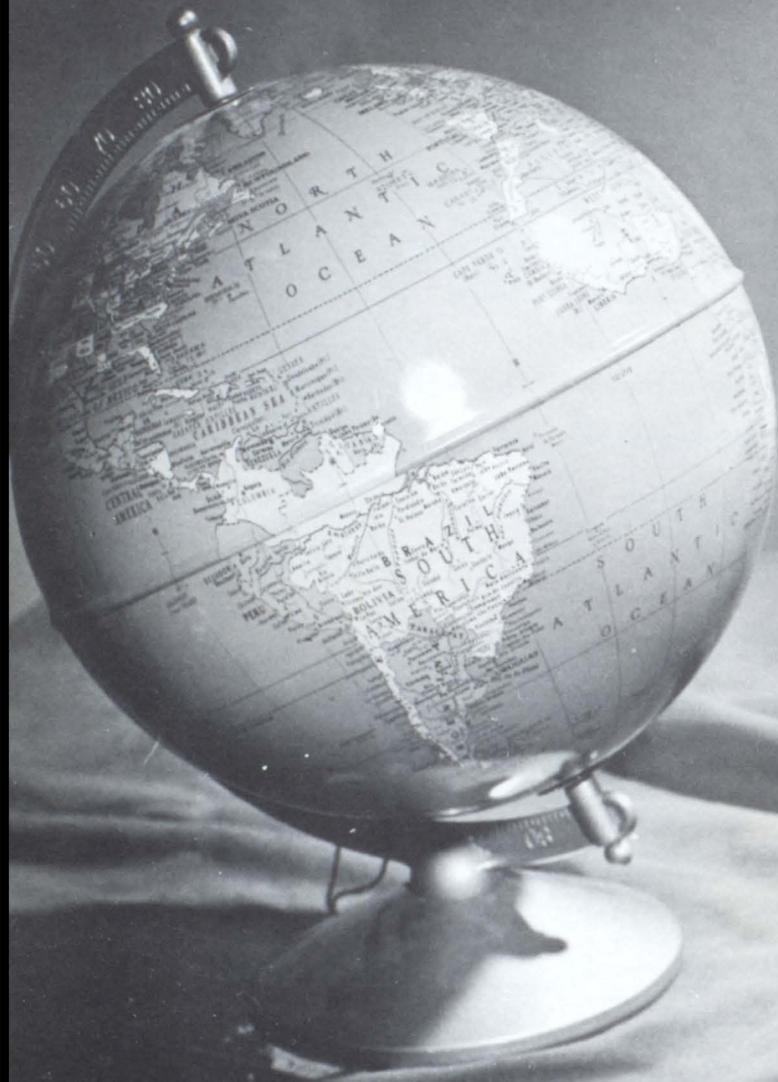

The Lamp of Knowledge outshines all lesser aims and objectives. It sheds its brilliant rays into the mind of every student who will let them enter. This is the reason for its prominent place on the shield of our seal. Knowledge is the center of every true learning institution.

The cotton bowl represents the agricultural environment in which Fairview has thrived. Agriculture has contributed to perhaps the most essential part of our school's being--its spirit--that "fightin' Aggie" spirit which manifests itself in every phase of school life.

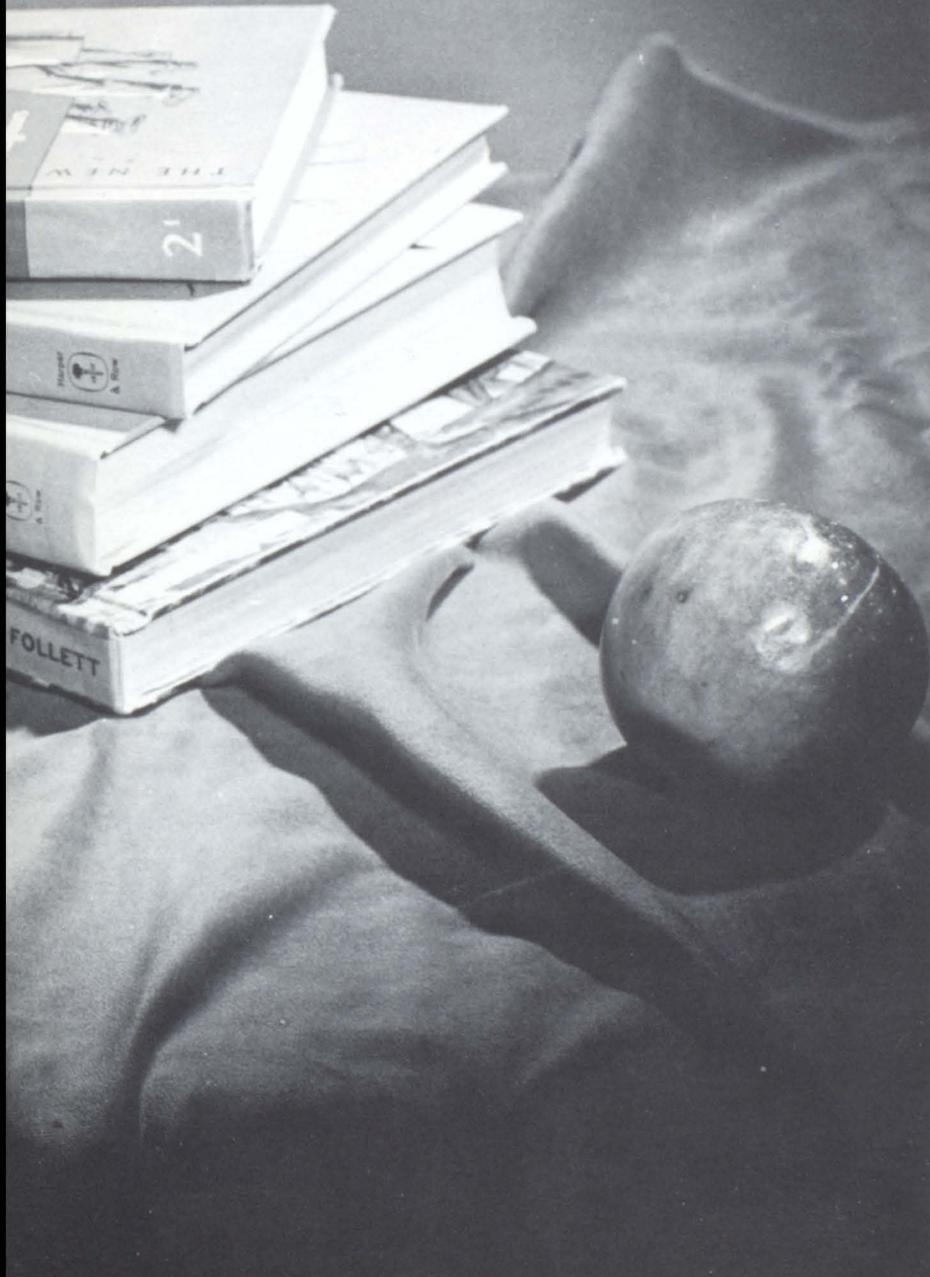

The torch in the lower corner of the shield symbolizes the enlightenment of understanding which is unattainable with textbooks alone. This common bond consists of such values as friendliness, courtesy, service, leadership, and all the other qualities that make a complete individual.

Fairview, in the past has been a great school. Yet, like the swift Falcon which guards the shield with enormous strength, we must soar ahead to new realms of progress.

The success of the new seal depends entirely upon the willingness of each student, faculty member, and other personnel to uphold its principles. When these principles are enforced, Fairview's seal will represent a great school which has left its mark on the sands of time.

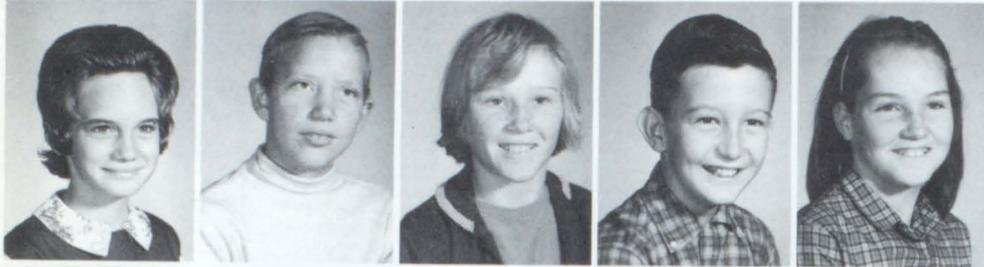

ELEMENTARY

School bells ring! . . . bringing with them . . . homework and tests . . . student council . . . harvest carnivals . . . Through the school years they will strive for many goals . . . making the honor roll . . . looking up to high school. . . projects . . . These classes look back fondly at the end of the year . . . the fun they had . . . the studying they did . . . the pride that went with being a part of the students of Fairview School . . . Being foolish and often impatient . . . we forget, sometimes . . . that the present is the foundation for our whole lives.

LEDDER

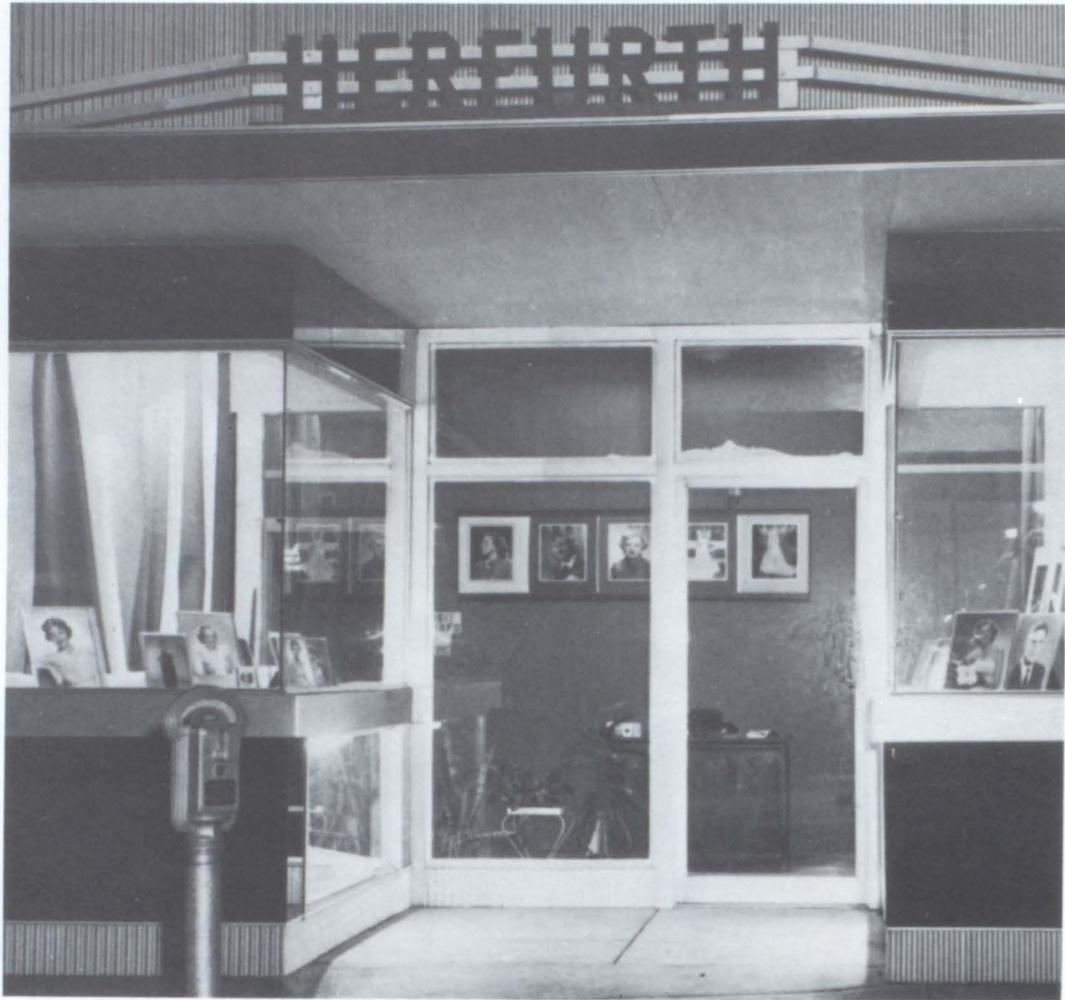

The image shows an open ledger book with several pages. The pages are filled with a grid of columns and rows, typical of an accounting or financial ledger. The columns vary in width, and the rows are densely packed with text and numbers. The book is open to a page that appears to be a continuation of a record or a list of entries.

ADVERTISEMENTS

This section brings to a close THE FAIRALA for 1964-65 . . . The ads, however, are really the beginning and ending for our book because without them there would be no FAIRALA. We, the annual staff, shall always remember the problems . . . running all over town, finding a parking place, the embarrassment of being turned away, aching feet. Also to be remembered are the good times we had . . . meeting people and making new friends . . . and planning the advertisement pages. Doing these things we accomplished two purposes. First and most important, we helped to make possible the production of THE FAIRALA; and second, we received the satisfaction of working with each other and with the general public.
