Dedication

Mrs. June Jones is a very special and dedicated teacher. She has a warm personality and is a friend of students at Fairview. In the years she has been at Fairview she has helped her students in every possible way. She is a Senior class sponsor and gives her time to help plan graduation. She is very much appreciated by those who seek her advice. For her sincere dedication to her job, the Fairala staff dedicates the 1977-78 Annual to Mrs. June Jones.

Principal

Mr. Keith Pattillo, a new addition to the school staff, has won the respect of both teachers and students. Their confidence in him is won through his warm personality and easy-going manner.

MR. JOHN ELLENBURG,

STUDENT
~~LIVE!~~ LIFE...

To every thing there is a season, and a
time to every purpose under the heaven:
A time to be born, and a time to die;
A time to plant, and a time to pluck up
that which is planted;
A time to kill, and a time to heal;
A time to break down, and a time to build up;
A time to weep, and a time to laugh;
A time to mourn, and a time to dance;
A time to cast away stones, and a time to
gather stones together;
A time to embrace, and a time to refrain
from embracing;
A time to get, and a time to lose,
a time to keep, and a time to cast away;
A time to rend, and a time to sew;
A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

The Varsity Cheerleaders possess a blaze of loyalty for the team which burns brightly in victory and is fanned, not extinguished, by the winds of defeat.

Varsity B Team

The varsity "B" football team showed their ability with a 2-0 record. To be a good athlete, you must have the spirit to play a good game and the dedication to prepare for the future ones.

Varsity "A" Football

Despite a disappointing record, the Varsity Football Team put forth a great effort. Spirit was the key word of the season, with the determination to play and perform to their maximum.

To beat someone else in a game, or to be beaten, may mean much or little . . .

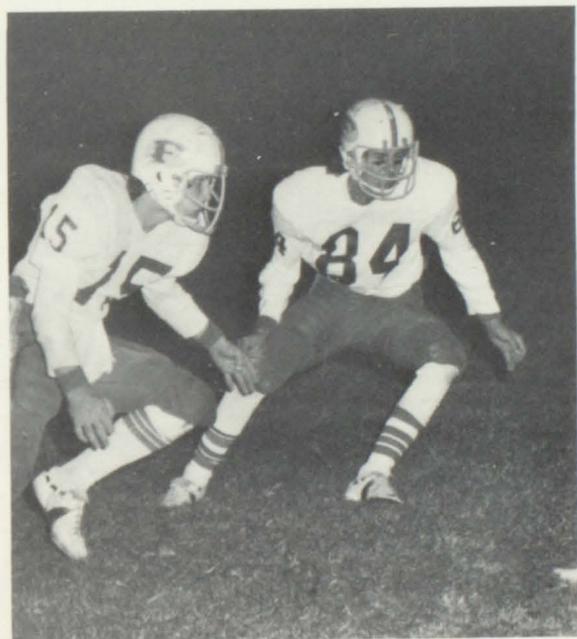

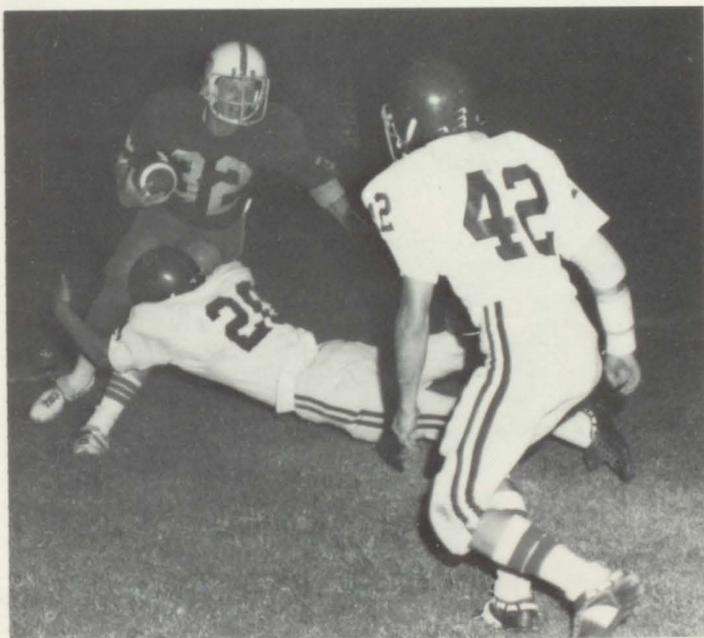

To beat our own game means a great deal . . .

Sports . . .

To brag little, to lose well,

To crow gently if in luck,

To pay up, to own up,

To shut up if beaten,

Are the virtues of a sporting man.

Few of us are faster than a speeding
bullet, more powerful than a

locomotive, or able to leap tall

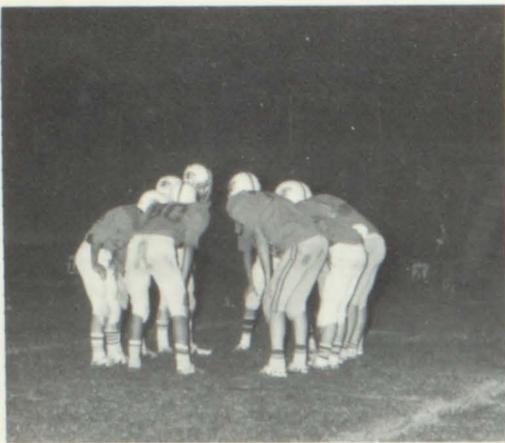

hurdles at a single bound; we are

not superwoman, or superman,

but sportswomen and sportsmen.

We play to win, but even more,

just because we love to.

Now, who brought the Twinkies?

Don't look now but I think my lunch is crawling away!

Who stole my pillow?

Would the real Mrs. Eddleman please stand up!

We've got to stop meeting like this!!!

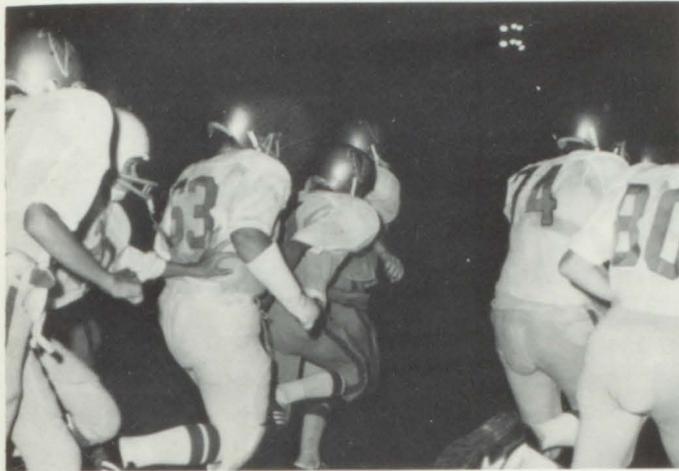

For my next trick, I'll pull a rabbit from my hat.

But she was only teaching me how to "shift my gears."

Next question: Does it look like I have a broom in my back?

When you gotta go, you GOTTA go!!!

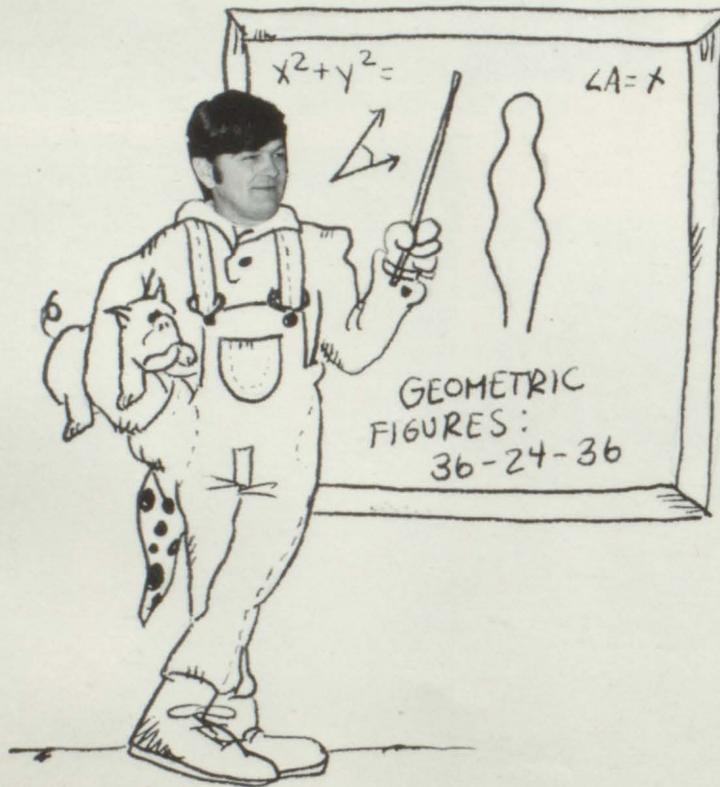

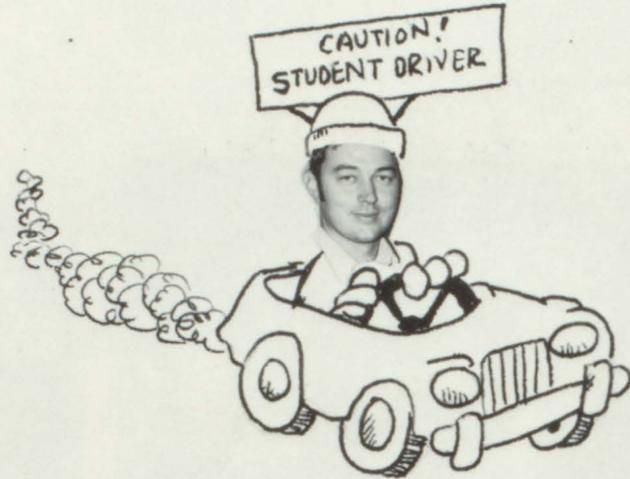

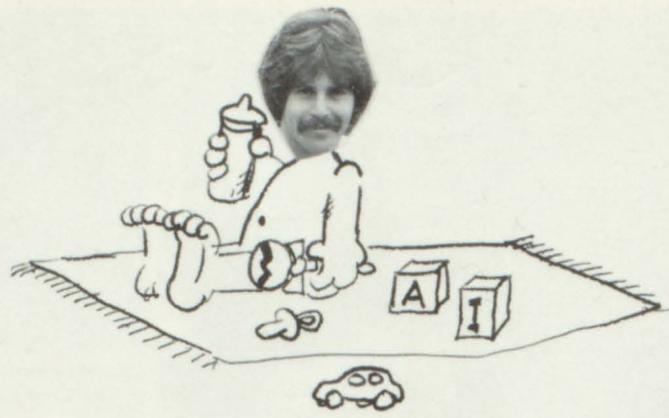

Charlie's Angels incognito.

I think your pants are unzipped.

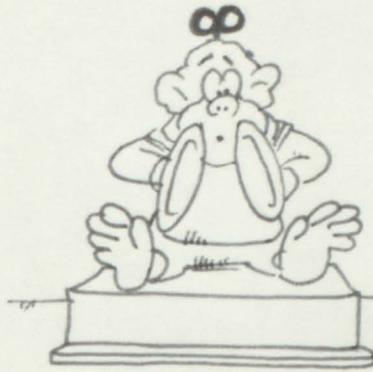

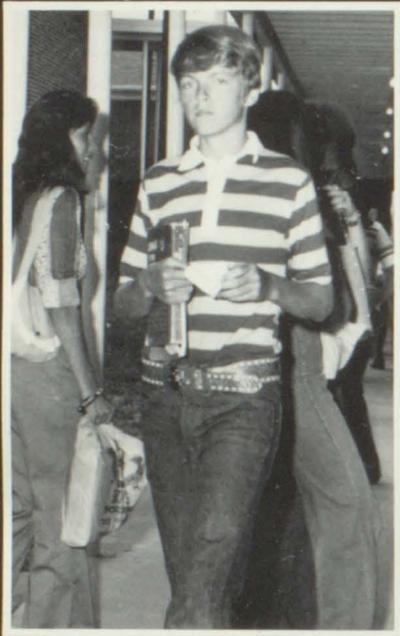

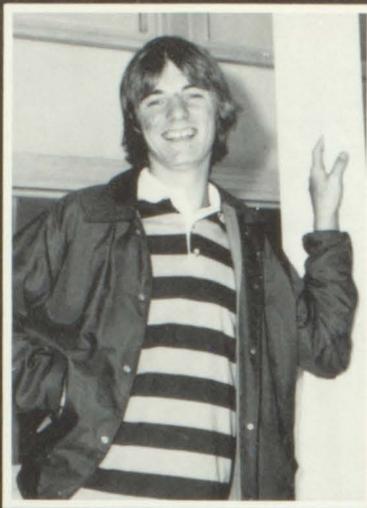

The End.

Sighted!

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that "the future of this nation is in your hands" or "you are being given a great challenge". It's true.

The future is in your hands . . . whether you hear it or not . . . and whether you like it or not. Do something about it . . . listen.
