Head Principal, John Holtzclaw

A wise man said that each person is like a blank sheet of paper on which everyone he meets writes a little. Each story is bound to be an exciting one, for life itself is exciting. How your story is written and by whom, depends upon you. When you enter Hanceville School, not too many paragraphs have been written. As a matter of fact, the paper is just beginning to unfold.

May the things that have been written at Hanceville give you the message that we, the administration and faculty, have for you. May they tell you of our high hopes for you, of our sincerity in wishing only the best for you, and our delight in your future successes. May they tell you to remember us, and know that we are happy to have "written a little" as you passed our way.

John Holtzclaw

Assistant Principal, Mr. Jordan
