# “Watching Our

The yearbook staff has chosen “Watch Our Lives Unfold” as this year’s annual theme. Starting school as young children, we did not really know what to expect from life. As we grew up, we began to watch our lives unfold in many different ways. When we were in elementary school, we looked up to the upperclassmen as our role models. Just like when athletes played pee wee sports, they looked up to the varsity athletes hoping to be in their position one day. Now, we are the ones being watched by the underclassmen.

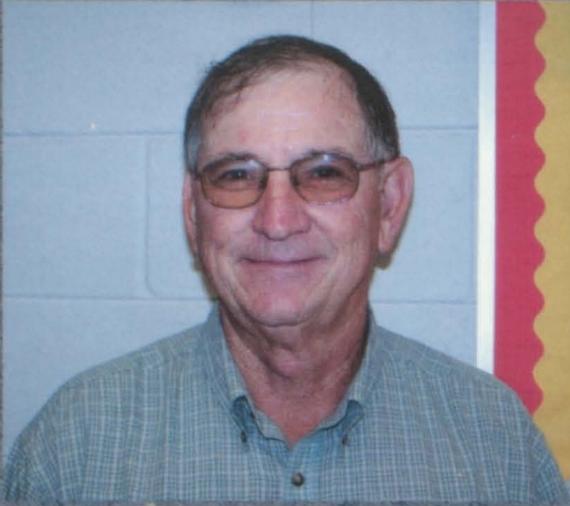

# Lives Unfold"

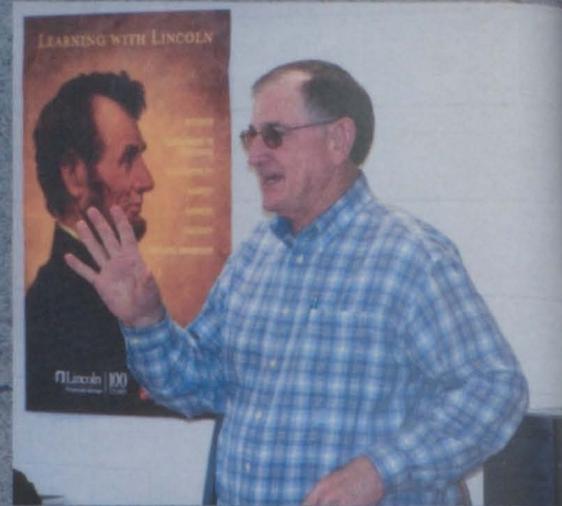

We have now become the role models that, in the past, we looked up to. We are continuing to watch our lives unfold everyday as we make decisions about our future. As we go out into the world, we will face many challenges. We will have to make decisions on college, starting a family, and beginning a career. The decisions that we make now will determine the ways that our lives unfold. By striving to live our lives in a Godly way, we will be able to become leaders in the world around us.

# Dedication

Teacher,  
Coach,  
Leader

Jimmy  
Michelfelder

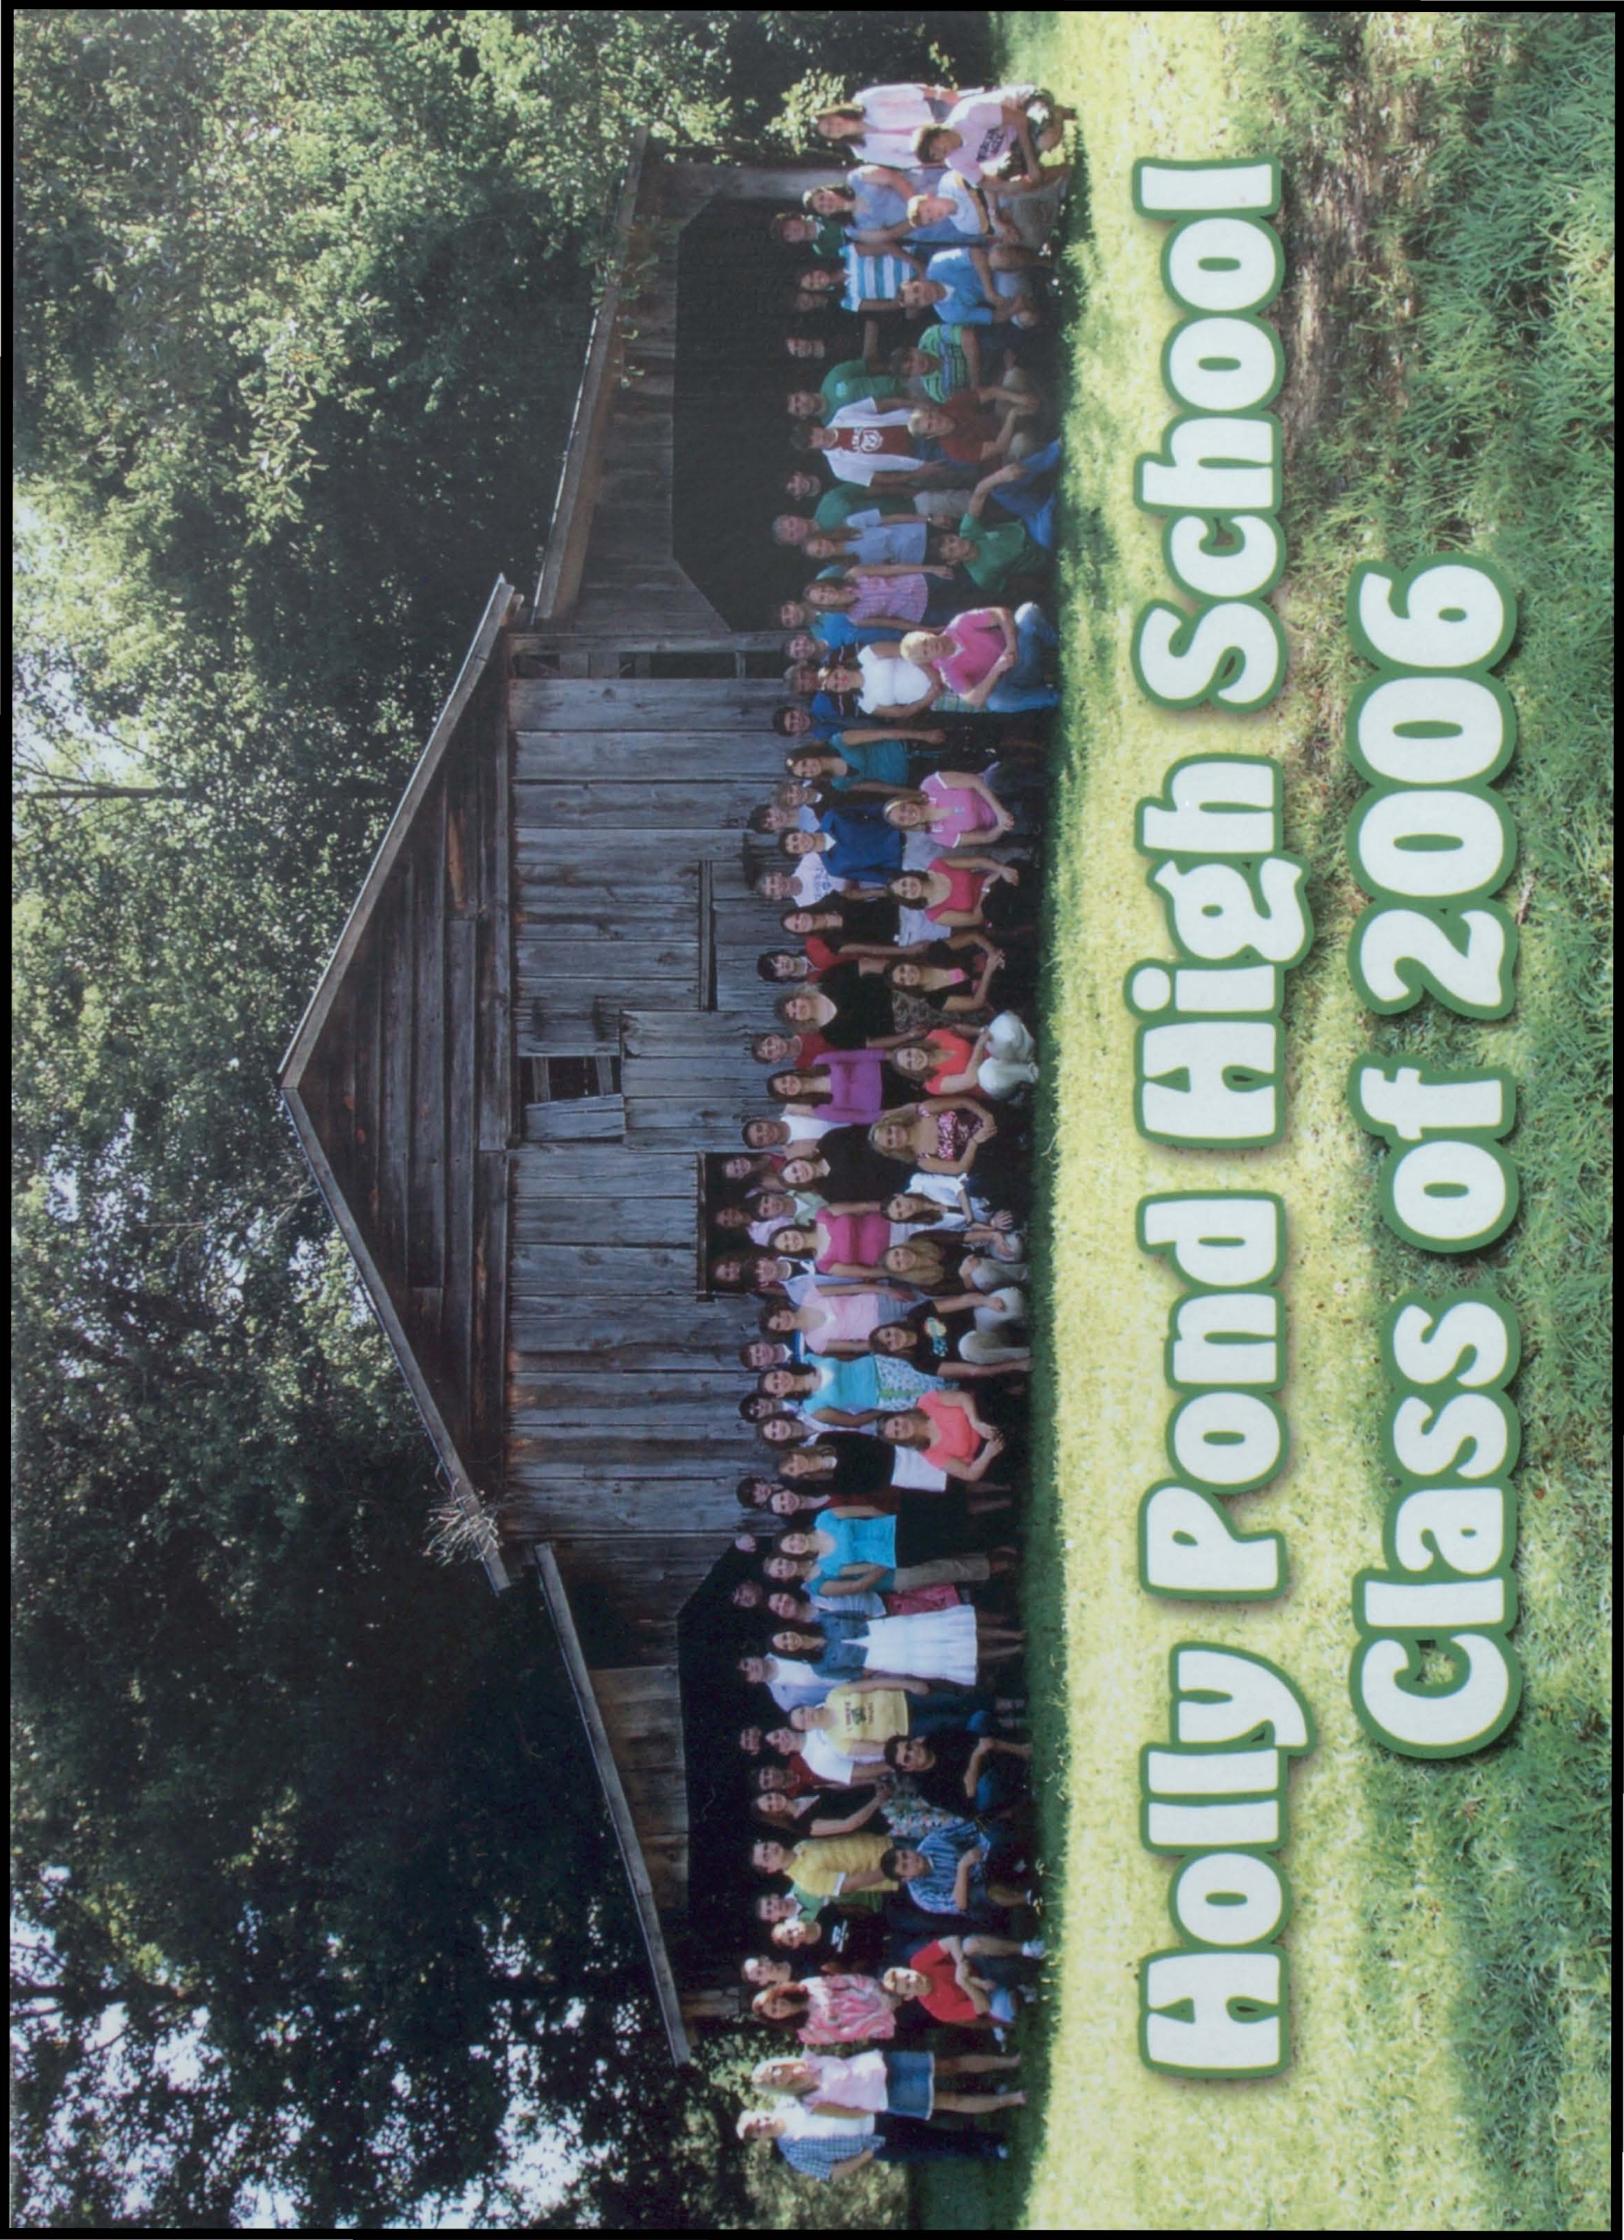

"Coach Mich"

The choice for the 2006 Bronco dedication is Mr. Jimmy Michelfelder. No more deserving an individual could have received this honor. He has been a history and science teacher for 30 years, 26 of which are at Holly Pond.

Coach Michelfelder was a football coach for 20 years. He had always wanted to be a coach, and the relationships he made with students and players will always be priceless to him.

Despite being eligible for retirement in the 2006-2007 year, he thinks he might stick it out a few more years. It has been this commitment to students, and to players on his football teams that will make him everyone's favorite coach for a very long time.

Thanks for all the years and memories!

# Seniors' Lives Unfold

We've waited thirteen years to do this.

Chillin' in English 101.

Hey Patrick, what's with the pumpkin?

Is this the new style? --Dorks

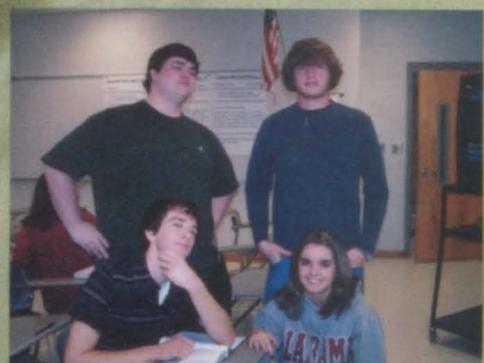

Aren't we pretty?

Mark and Jeremy look like they are having fun.

Justin you are so strong.

What are Johnny and Bailey thinking about?

Look at this good group of seniors.

# Seniors' Lives Unfold

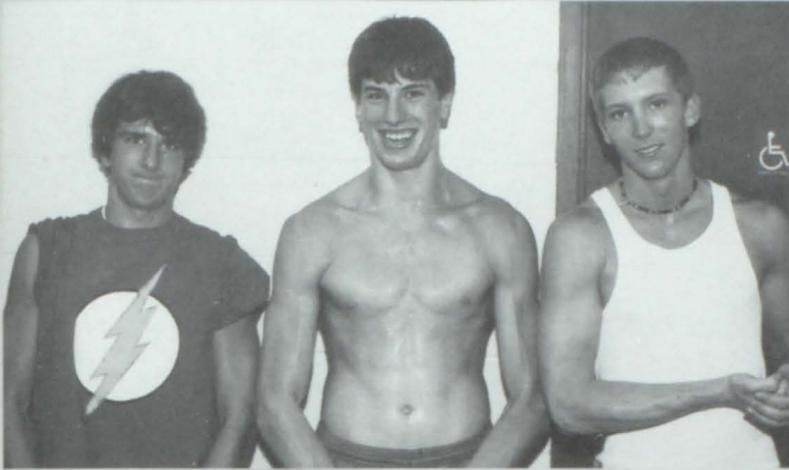

Whatcha got cookin' Ashley?

Jeremy is up to something.

Brittany and Jessica are good buds.

Ooh la la! Show me the muscle.

Hey Justin, is a straw the new diet? Share some with Skipper.

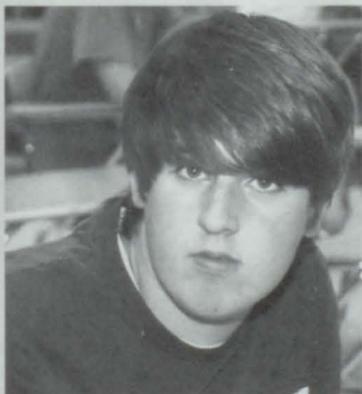

Christine is always pepped up.

Why are you blushing Kressa... did you see the muscle too?

Is Colby actually doing work?

Are you ready for class Eric?

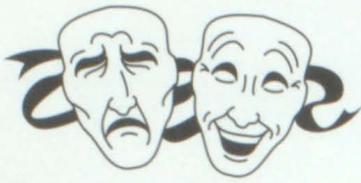

Bo's hair can certainly brighten everyone's day!

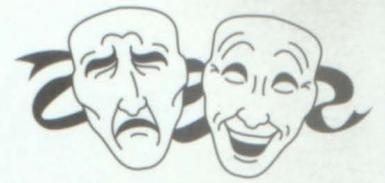

Matt ponders whether or not he should listen to Mrs. Smith.

Brisa attracts all of the attention.

# Class Night 2006

Terry Kelly is handed a ball cap by Giftorian, Shae Gambrell.

Mrs. Bulter tries to fix a faulty mic as quick as possible.

Bailey and Luke rock out with the class song, Watch Our Lives Unfold.

Johnny Martini smiles as he receives his gift.

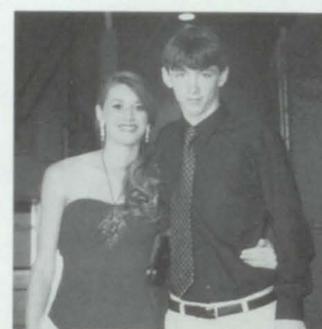

Jessica Terry carefully reads the Class History.

Haley Batemon looks into the crowd as she reads the Class Prophecy.

A group of senior guys smile one last time.

Tyler and Tiya hand out programs before the event.

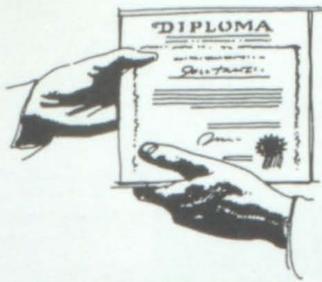

## *Our Seniors' Time Has Come and Passed....*

Bo and Skip look surprised, Cody just looks sleepy.

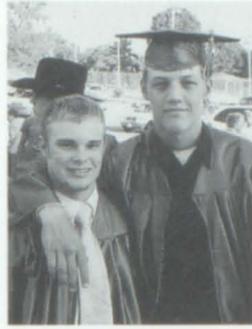

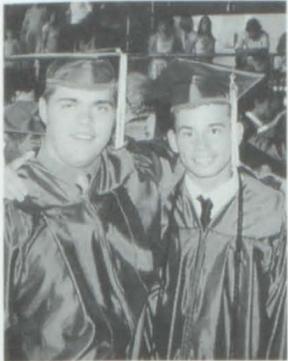

Hannah Easterwood says good-bye to three of her favorite teachers.

*"Twins"*  
So many good things come in pairs,  
like ears and socks and panda bears.  
But best of all are sets of twins,  
with extra laughter, double grins.  
There's so much fun in having two,  
with twice as many points of view.  
So much alike, forever linked,  
and yet they're also quite distinct.  
They share a birthday and a name,  
but moods and tempers aren't the same.  
Although at times they may dispute,  
their loyalty is absolute.  
From days of youth till life is done,  
it's one for both and both for one.  
We're all quite novel and precise,  
but Special Folks~God Made Twice.  
For our girls!  
We are so proud of you!  
Love,  
Nanny Lou & PawPaw Alden

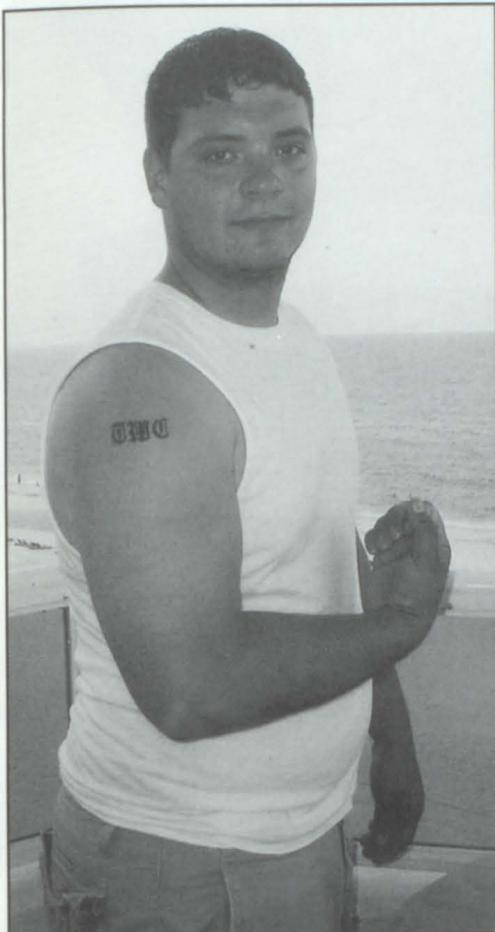

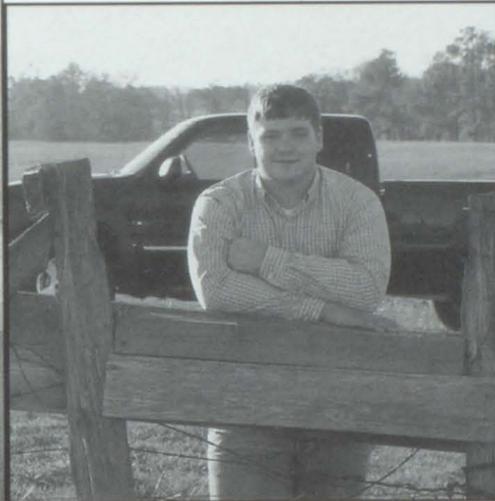

Families are like fudge...mostly sweet, with a few nuts.

What lies behind us and what lies before us are tiny matters compared to what lies within us.

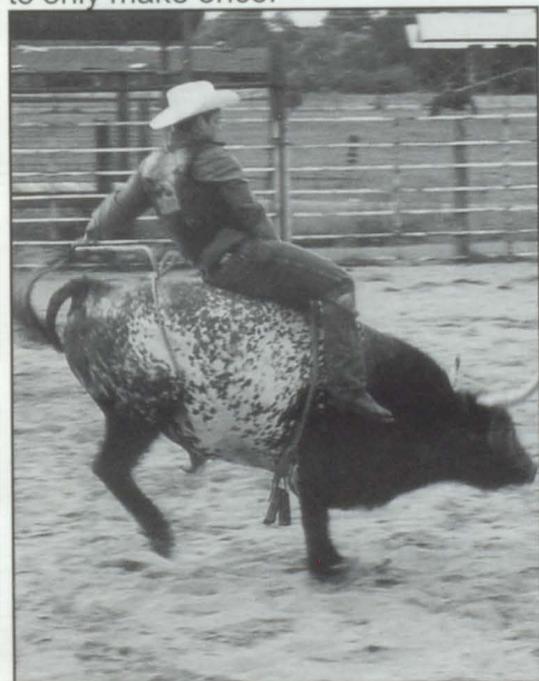

# TYLER 2006

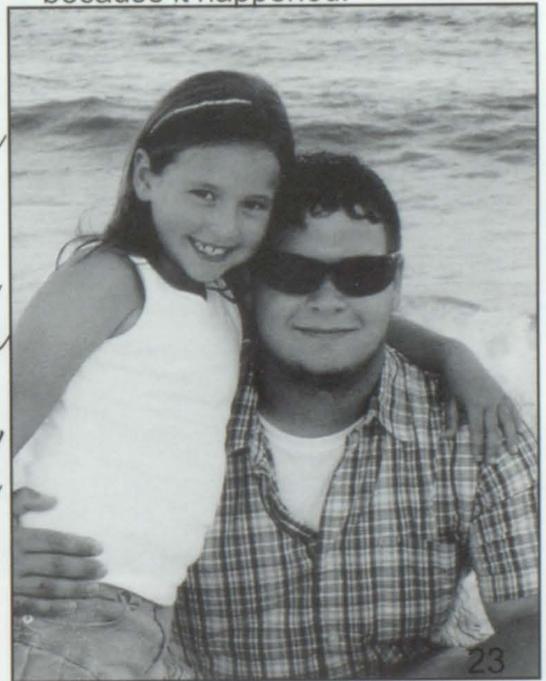

Some mistakes are too much fun to only make once.

Don't cry because it's over; smile because it happened.

*Tyler,

adventure it has  
been... from bull  
riding and  
tattoos  
to your first prom

Roll your Senior

it has never been

# Lauren Caitlin Neal

What do you see in the mirror? When we look at you, we see your compassion for the less fortunate, your quiet courage and your natural grace. But we also see the quiet beauty and gentle spirit that make you the unique person you are. These qualities that God so freely bestowed upon you are the same qualities that are sought by many but attained by few. Hold on to these qualities as you begin the next phase of your life, and remember Romans 8:28: "And we know that in all things God works for the good of those who love Him, who have been called according to His purpose." We are privileged to be your parents!

It has been an honor and blessing having you as our daughter and watching you grow into the beautiful young woman you have become. From the first day of kindergarten when you walked in that classroom and sat in the front row without any hesitation, we knew you would be an achiever. We are extremely proud of you and all your accomplishments. Remember to always keep God first in your life and never settle for less than the goals you have set for yourself and you will be successful in all you do.
