THE START”

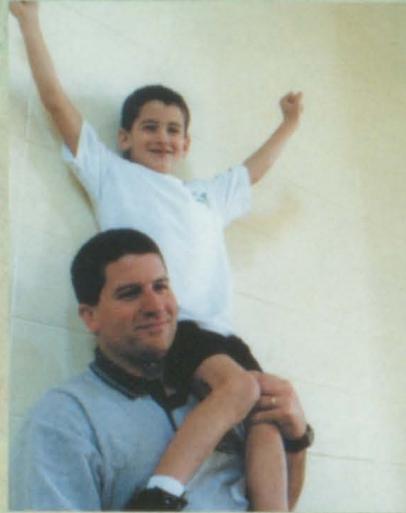

We will no longer have our parents holding our hands, guiding us through our days. We will no longer have teachers that care so much it hurts. We have lost our coaches, principals, and our friends that have gone their separate ways. Most importantly, we have lost the Pond. The very thing that we have tried to escape for so long has, in essence, become the very thing that we never want to leave. We realize that we have our own little corner of the world in Holly Pond, and do not want to leave it and travel into the unknown. But, as they say, we will only move on to bigger and better things. It would be so much easier to just erase the past and do it all over again. Now that it's all over, let's go back to the start. Farewell and good luck-- always remember the Pond. ~Daniel Pugh

...LET'S GO BACK TO THE START.

Dedication

THE HUSBAND

THE FATHER

“Play every play as if it were your last.” That is what Coach Scott Adams would always say to his football players on a daily basis. So they did, every play. It did not matter if you were hurt, tore your MCL, broke one or even all ten of your fingers, you simply pushed through it. His players did not play hurt because he made them; they did it because he inspired them to do so. From his talks about sacrifice, to his speeches about courage and everything in between, Coach Adams inspires excellence.

THE COACH

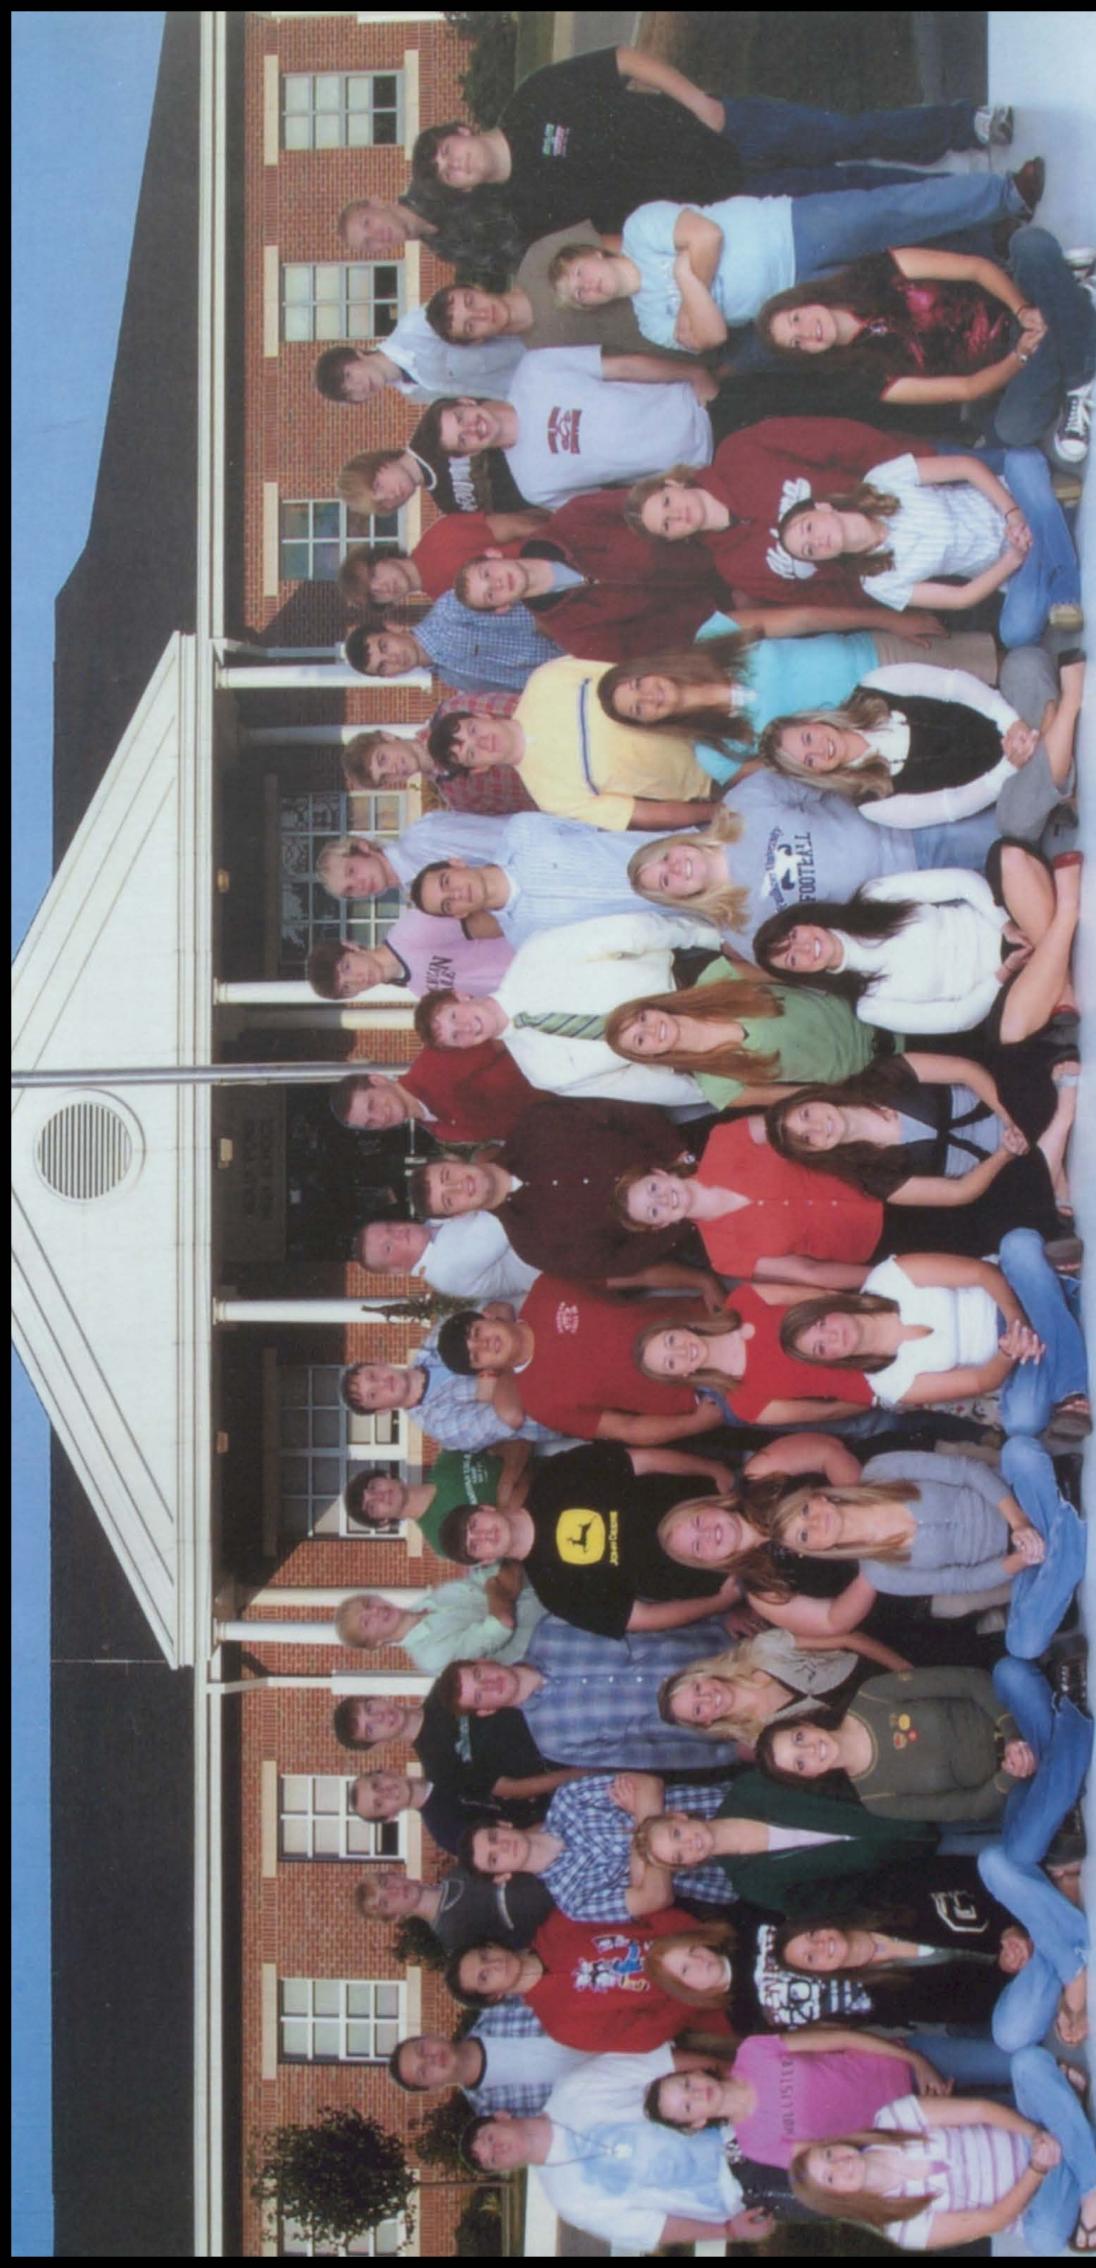

After five years with the varsity Broncos, Coach finally played his last play. In order to fulfill the plan that God laid out for him and in order to do what he thought was right, he officially resigned from the Varsity Football position.

So now we dedicate this annual to one of the greatest coaches and people Holly Pond has ever known. We will miss the talks, and the speeches, but we also know that everything happens for a reason. Whether you played for him or not, this man has a presence that can be felt by all. Thanks for the memories, the time, and most importantly, the Friday nights.

A HERO TO MANY,
AN INSPIRATION TO ALL..

Lindsey Kay Wise

Lindsey,

We are very proud of you and the accomplishments you have made in your 13 years of school. You being a perfectionist has paid off (maybe not for us as parents, watching you rewrite papers over and over until they were just right!).

As you start a new chapter in your life, we hope only the best for you! Continue to follow God's path and He will bless you. We love you very much!

COMPANIONSHIP

*As our love grows together,
we could never fall apart,
As we build our lives
forever,
We keep each other's
hearts,
And as way leads on to
way,
And we find out who we
are,
We'll always find each
other,
As we have from the start.*

TRUST

Daniel,
We are so proud of who you've become
and of all the accomplishments you
have made. We know you will succeed
in everything you do in life. We love
you so very much.

Maegan,
People always say to reach high for the
stars. You will not need to because we
know they are already within you—just
reach deep into yourself because the
best opportunities you will have in life
will be the ones you create for yourself.

Mom & Dad

We cannot put into words how
proud we are of you and how
much we love you.

Samantha,

There are so many things we want for you as we watch you grow into your own life... so many wishes for you are in our hearts.

We wish you the pride that comes with knowing where you're from and the peace that comes from knowing who you are.

We wish you the strength to face challenges with confidence and wisdom to choose your battles carefully.

We wish you the satisfaction of seeing your goals achieved and the true contentment that is born of simple things... work well-done, friends well-loved, moments caught and cherished.

And our greatest wish is that you will always remember how much you are loved, because you are a beautiful, unique person... one we are so proud to have you for a daughter.

We've watched as our precious little girl has grown into a beautiful young woman. Now we watch as that woman prepares to start the adventure we call life. Always keep your head up and your will strong. Never back down if you feel passionate about something. Remember you were raised with great love and always remember who you are. We are so proud of you.

All our love,
Mom, Dad and Jason

Randy Lee Brock

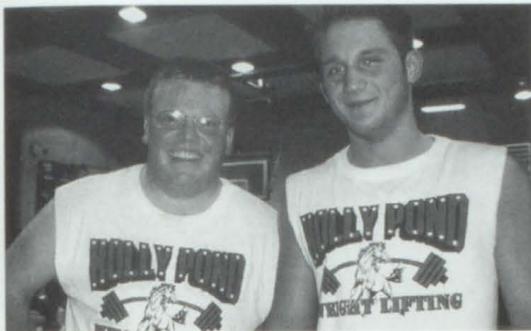

We couldn't be prouder of you Randy Lee. We wish you success in all that you do. You are such a handsome, brave, strong, intelligent young man and so much more.

We believe in you. You can be anything you want to be, don't let anybody tell you you can't, because YOU CAN!

Teach me to do your will for you are my God; may your good spirit lead me on level ground.
Psalm 143:10

Just remember one thing we want you to know, our love is with you wherever you are or wherever you may go.

We hope you have good fortune, love, peace, and happiness. We know that true happiness is seeing your children happy and in love.

Just remember that the Lord will lead the way. Trust in Him to guide you in His divine and perfect will. If you pray and study, His plan will be fulfilled.

Words can never explain how greatly we love you. Your whole life is ahead of you.

I hope we taught you to be brave and have courage; always remember to use them both.

With great love,
Matt, Mommy,
and Mattie Leigh

Remember
to stay

You can depend on the Lord. There's nothing you can't handle with Jesus as your best friend.

Tyler Phillips

Have a great Senior year, Tyler! We are very proud of you!

We love you,
Mom, Dad, April, Anthony,
Adrian, and Brittanie

Sarah Elizabeth Hathcock

Sarah,

You have accomplished so much these past years. It's ok to look back but don't stare. Move forward and take with you the lessons it has taught, this isn't the end, it's only the beginning. You are at the road that leads into adulthood. This is when you begin to make your own choices. Choose to be happy where you are in life. Happiness comes from within you, not from the money you make, the trips you take, or the things you own. Sarah, never underestimate the power that comes from within yourself. Dare to dream the impossible. Take a risk—one can make a difference. We believe in you! As you embark on your journey, ask God to be your compass. He will lead you in the right direction. No matter how far or near you travel, there is a path that leads to our hearts where you will find our love for you. May God go with you, protect and bless you, all the days of your journey.

Love,
Mama, Daddy, and DeLana

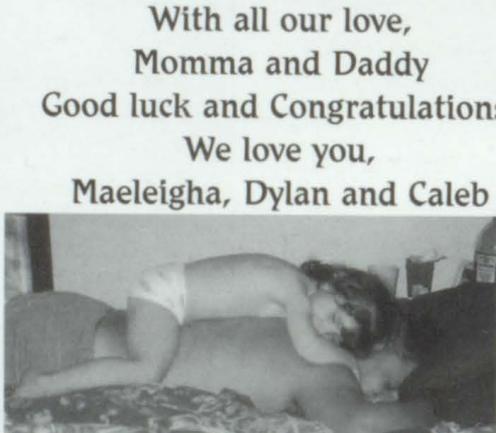

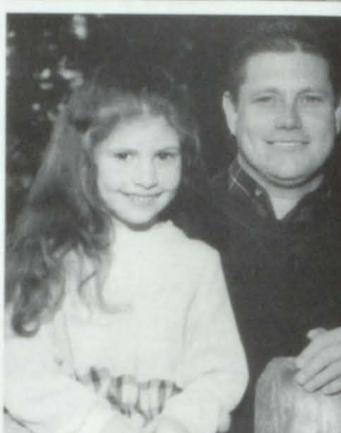

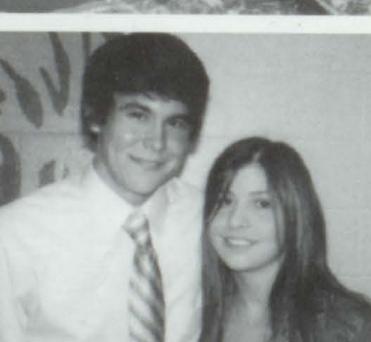

Jesica Anna Basenburg

August 30, 1989; that was the day we understood the plan that God had for us. Watching you grow from day to day has been a complete joy and honor.

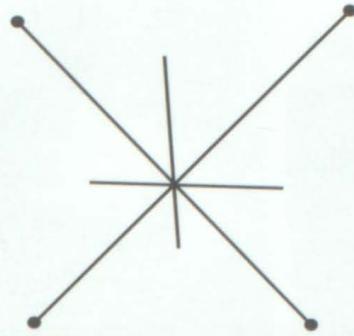

God truly blessed us with a remarkably athletic, intelligent, honest, loving daughter, but most importantly you are a wonderful Christian girl. Friends will come and go in and out of your life, but our hope is that within God's plan you will come to realize the importance of family and the love a daddy has for his little girl and the friendship a mother can have with her daughter. Our wish for you is that your life becomes all that you want it to and God always comes first.

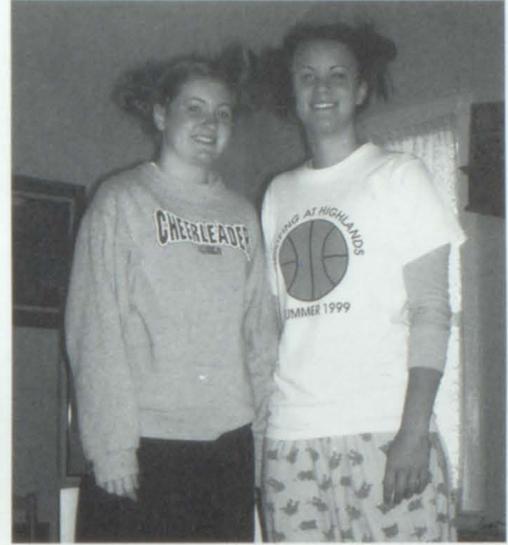

With all our love,
Momma and Daddy
Good luck and Congratulations!
