

TREASURE CHEST '55

Foreword

We on the annual staff sincerely hope that the 1955 TREASURE CHEST will help you relive your high school days. May it bring you joy on a reminiscent night in the future. We also hope that it will bind you closer to your present friends, that they may not be forgotten later on.

In days to come we hope that this book will grow in value. Many years from now, you will leaf through this 1955 annual and recall various experiences in high school. Many of them will be brought to life by the sight of an old friend's face.

We would like to thank all the faculty, students and friends who helped us to make this book possible.

Now we present to you students and faculty of West Point High School, your 1955 EDITION OF THE TREASURE CHEST.

Dedication

We the Seniors of West Point High School with deepest appreciation dedicate the 1954-55 edition of the "TREASURE CHEST" to our parents, who taught us early in life to seek greater achievements and sacrificed much to enable us to attend school so when the time came we could face our future as well-matured men and women.

The 1954-55 Treasure Chest Staff.

Faculty

Principal's Message

It has been a gratifying experience to work with and observe the efficiency, and untiring efforts of the editorial staff in the preparation of the 1954-55 Annual. Their work has been very commendable.

We are, also, aware of the fact that our yearbook is made possible through the unified and cooperative spirit of students, parents and our many friends in West Point and Cullman County.

We are sure that your investment in this annual, will prove to be a worthy one.
