## MORE DETAIL FOR EACH PROGRAM

**June 1st** – This is our Kick-Off Day. We will have fun outside with snacks and drinks, temporary tattoos, hopscotch, tunnel to crawl through, hurdles, balance beam, and ladder rungs to run through. We will have fun inside with building blocks, code –a-pillars, toothpicks and marshmallows, and straws. You can pick up your Summer Library Program guidelines and reading sheets inside also.

**June 6<sup>th</sup>** – Do It Yourself with a presentation by Lowe’s of Cullman.

**June 7<sup>th</sup>** – Build up your electrical knowledge with the Cullman Electric Co-op. We will have a lineman in full gear and also a Co-op truck.

**June 8<sup>th</sup>** – Peinhardt Farm – They will be bringing some farm animals for us to learn about and pet!

**June 13<sup>th</sup>** – Animal Tales presents “Animal Architecture”. Be prepared to get up-close and personal learning about animals who build and construct in order to survive in the wild.

**June 14<sup>th</sup>** – The Cullman Water Board will tell us about the planning and building the Duck River Project.

**June 15<sup>th</sup>** – McWane Science Center presents: “Experience Engineering”

**June 20<sup>th</sup>** – The North Alabama Agriplex and Rachel Dawsey will have our presentation.

**June 21<sup>st</sup>** – Work on your vocal construction with Mrs. Polly Easterwood as she comes to sing with us!

**June 22<sup>nd</sup>** – Russell Davis, magician and humorist, will present “The Magic of Reading, the Better World Edition”.

**June 27<sup>th</sup>** – Learn how to plan your next project with Leonard’s Architects.

**June 28<sup>th</sup>** – Skip Cain, the Magic Guy, will build up our imagination and curiosity with his magic show.

**June 29<sup>th</sup>** – Learn about building things with contractor Don Scott!

**June 29<sup>th</sup>** – **Prizes will be given out today. You do not have to be present to win!**
