

“Did the Library change my life? Oh yeah! I got my GED, got into college, and got a decent job. My kids get free homework help, and my mom gets large-print books.”

Over 30,000 Cullman Countians enjoy the free services provided by their public libraries, and you can too. September is National Library Card Sign-Up Month. Get yours and gift when you sign up at any Cullman County Public Library this month. Just bring your ID and proof of address.
